Office of the Deputy Commissioner,

Dated Tumkur, the 12th March 1924.

From

Deputy Commissioner, Tumkur District,

To

Revenue Commissioner in Mysore,

B a n g a l o r e.

S i r,

I have the honour to state that as per para 14 of Government Order No.355-414-D. dated 25th January 1924, it is clear that famine tools reserved in the Public Works Department, cannot be made use of by the coolies working at the works, other than Panchamas, who have been permitted specially. But, the Amildar of Pavagada brings to my notice that, if the Panchamas working at the Village Improvement & temporary well works in his taluk are not supplied with Government tools, it would cause them a great hardship if they ~~were~~ are compelled to bring their own tools.

2. As all the works now started, whether they are Village Improvement or temporary wells works, come under the category of relief works, I request that the special concession granted under para 14 of Government Order No.355-414-D. dated the 25th January 1924, may kindly be extended to the Panchamas also, working at all kinds of works. The favour of an early reply is requested.

I have the honour to be,

sir,

your most obedient servant,

Md Kamaruddin
